# Netherlee and Stamperland (Church of Scotland)

Congregation No: 161065 Scottish Charity No: SC015303

# **Report and Accounts**

For year ended 31 December 2020

The Trustees present their annual report and financial statements of the charity for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out in pages 12 and 13 of the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 (effective 1 January 2015).

This is the first Annual Report and Accounts for the united church of Netherlee and Stamperland. The congregations of Netherlee and Stamperland Churches (then in Linkage) voted unanimously to approve the Basis of Union on 6 October 2019. The congregation was cited to appear before the Presbytery on 8 October 2019 where the Basis of Union for Netherlee and Stamperland (Church of Scotland) was approved. The Service of Union took place on 26 January 2020, and this report and accounts record the activities and financial transactions of the united church of Netherlee and Stamperland.

### **OBJECTIVES & ACTIVITIES**

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other churches in various ecumenical bodies in Scotland and beyond.

**Mission Statement** – as part of the Church of Scotland, Netherlee and Stamperland (Church of Scotland) is committed to worshipping God, as Father, Son and Holy Spirit; therefore, in the name of Jesus Christ our Lord, we commit ourselves to serve the needs of all people who live in the parish by:

- ensuring that the church embraces people of all ages, sharing God's love with all
- caring for the needy at home and abroad
- offering guidance for Christian living
- giving support for faith in Jesus Christ as Lord
- providing a welcoming Christian fellowship for all
- encouraging the open use of our premises

The Church seeks a commitment from its members to accept this statement and help realise its Mission.

### Global coronavirus (Covid-19) pandemic

On Sunday 8 March 2020 the Kirk Session held an Elders' Conference at which we discussed and planned our future vision and purpose, group and committee structure, and pattern of worship for the church year 2020/21. Unfortunately we never really got to implement anything properly as the global coronavirus (Covid-19) pandemic struck the world and we have all had the wind taken out of our sails in the process. It has been a struggle not being able to continue the good forward momentum that we were feeling at that time. Not only has Covid-19 severely affected the life of our church in every way, it has also caused severe disruption to the many voluntary and commercial organisations which make our buildings a busy and vibrant place to be.

### Worship

Our Service of Union took place on Sunday 26 January 2020. We intended to start the year by offering regular worship on Sundays at 10am in our Netherlee sanctuary and at 11.30am in our Stamperland sanctuary. During the year it was our aim to increase the number of services where we worshipped as one congregation. This was already happening at Communion, Remembrance plus some services over Christmas and Easter. The plan was to add services such as Harvest, Youth Organisation Parades (and their Leaders) and services over the summer months. It was our intention to increase the frequency of when we would worship as one congregation over the Christmas and Easter periods, alternating between our two sanctuaries.

Working with the guidance from Scottish Government and our National Church, we were able to worship with 50 folk (max) at 10am in our Netherlee sanctuary from Sunday 26<sup>th</sup> July. After the completion of essential electrical repairs in our Stamperland building, we were able to worship with 50 folk (max) at 11:30am in our Stamperland sanctuary from Sunday 25<sup>th</sup> October.

We held no "in person" worship in either of our buildings during periods of lockdown. When we moved into Tier 4 prior to lockdown, and were permitted to worship with 20 folk (max), we took the decision not to. This was because of the health risk to our members, and in support of Public Health advice. Instead we recorded worship to be viewed weekly via a link to our YouTube channel (<a href="https://www.youtube.com/channel/UCxduv5ktG1ctk5Zu4u8WRPQ">https://www.youtube.com/channel/UCxduv5ktG1ctk5Zu4u8WRPQ</a>) supported by links to musical items on Facebook. The average number of "views" of our recorded YouTube services over the last 20 weeks of 2020 was 195.

### **Beyond Lockdown Team**

During the first lockdown in March we became very familiar with the message "Stay At Home – Protect the NHS – Saves Lives." By May the Kirk Session had formed a Beyond Lockdown Team to consider how we could best respond to guidance announced by the Scottish Government and our National Church to ease us out of lockdown. Meetings were held remotely using Zoom – an online video conferencing tool that we eventually used to enable the Kirk Session to meet. Completion of the Church of Scotland Building Checklist and Risk Assessment forms; plus the introduction of mitigations including Covid signage, social distancing, face masks, hand sanitiser and updated procedures allowed us to briefly open for worship for limited numbers between lockdowns.

### **Congregation – people not statistics**

Every year a statistical return is sent to Presbytery, and for 2020, the first year for Netherlee and Stamperland (Church of Scotland) our communion roll stood at 800 members. We cannot escape the impact of Covid-19 on people within our community. Last year saw a significant increase over the previous year in the number of funerals taken by our Minister and Pastoral Assistant. We grieve for all the families and friends affected whether Covid-19 was involved or not.

### Communication

We are fortunate that 90% of our Kirk Session can be contacted via email, and of this cohort, most have access to Zoom. This video conferencing technology (other platforms are available) emerged as one of the "go to" solutions for families and friends to keep in touch during periods of severe restrictions and lockdown. As society learned to use this new method – from a quiet family catch up to competitive and entertaining quiz nights – we too began to adopt it for our Kirk Session meetings.

The April edition of **Connections** (church magazine) was the last one in 2020, and only available via email due to Covid-19. In December our Planning & Communication group started an email Newsletter to keep members up to date with the ever changing guidance on worship, as well as other news and stories as activities increasingly started to take place online.

Another way of maintaining contact with our members occurred in May with the delivery of 150 house plants to some of our most vulnerable and isolated members – this was very well received. In December we distributed a bag of Jelly Babies plus a card telling the "Jelly Baby" gospel story to all our members – this was also very well received.

We are indebted to the Elders for their efforts in keeping in touch with their Districts and the wider community during Covid-19.

### **Youth Organisations**

We normally provide accommodation for all sections of the Boys' Brigade, Guides and Scouts; but due to Covid-19 they have been unable to meet face to face for much of 2020. When they have been able to meet, it has been under the guidance of the Scottish Government and their own Organisation HQ. This meant a limit on the numbers allowed to meet, and only with mitigations such as social distancing, wearing face masks and the use of hand sanitiser. Outside of lockdown and Tier 4 restrictions, some groups did manage limited indoor and outdoor activities, but nothing like the normal calendar of events.

For their efforts during the year, the leaders and helpers deserve to be hugely complimented on becoming ever more inventive in keeping many of their members engaged with a variety of online activities via many different digital platforms.

### **Sunday Club**

This was another victim of Covid-19 but during the year two things happened. (1) As with so many other activities it went online using video conferencing technology. Thanks to the dedication of their leaders contact was maintained with some children. (2) As the guidance from the Scottish Government and our National Church evolved, they began to be allowed to meet face to face. One great example of combing the talents of the leaders and the children using the new communication method was the digital Nativity drama they prepared for us at Christmas.

#### Guild

Due to the age of the members and the associated increased vulnerability to Covid-19, the Guild has not met since we first went into lockdown in March. To maintain contact with each other on a regular basis they have used a more traditional form of communication that everyone has and knows how to use – the telephone! As many of the members will be in the first categories for vaccination in 2021 it is hoped that this group will be amongst the first to emerge from isolation.

### **Education**

We normally would organise opportunities for Christian education in the form of **Bible Study** groups but once again – Covid-19. There is a small adult Sunday Club group (**SHARE**) which carries out in depth studies of the Christian faith and how it can be applied in the modern world. Towards the end of the year SHARE began to meet via Zoom, and next year the Bible Study groups will do likewise. The cancelled visit to Iona will be re-scheduled.

The Church and Presbytery provide training for Elders. We also organise courses in the **Protection of Vulnerable Groups** with the assistance of trainers from the **Safeguarding Office** of the central Church. There were no meetings in 2020 due to Covid-19.

**The Forum** meets once a month with distinguished speakers on their subjects of expertise. These meetings are open to any member of the community, and have regular attendances of between 35/50 people and give the audience an opportunity for discussion, asking questions and to increase their knowledge of the subjects discussed. Again cancelled due to Covid-19, but restarted at the end of the year onwards using Zoom

### **Facilities for the Community**

Across our two suites of buildings we provide facilities for all ages in the community regardless of whether they are members of our church or not. Last year we had the following groups:- Monday Lunch Club, Heart for Art, Scottish Country Dance, Weight Watchers, Baby Sensory, Keep Fit, Mindfulness, Balance Fitness, Pilates, Yoga, Chair Yoga, Sounds International, Crafts, Dancing School, Eastwood Stamp Club, Toddlers, French school class, Enjoy-a-Ball, Clarkston After School Services (CASS) & Breakfast Club. The contributions made by these community users of our premises assists with the running costs of our premises. The vast majority did not take place due to Covid-19. From August CASS were given permission by the Scottish Government and our National Church to restart as they were supporting a statutory service – i.e. providing care for school children of key workers.

### **Social Events**

February 23<sup>rd</sup> saw Stamperland celebrate its 80<sup>th</sup> birthday. The occasion was marked with several events – Fiddlers Rally (15<sup>th</sup> February), Birthday Party (22<sup>nd</sup> February), Anniversary Service (23<sup>rd</sup> February) and the Glasgow Philharmonic Male Voice Choir (4<sup>th</sup> March). These were the final social events before everything came to a halt because of the pandemic restrictions.

### **Community Support**

We have a long-term relationship with St Andrews Scots Kirk in Colombo, Sri Lanka. That Church operates a Trust Fund for Netherlee Cottage, a halfway home for ladies released from the psychiatric wards of the local hospital. We send regular sums of money to assist with the maintenance and running expenses. This year with greatly reduced retiral offerings (or fund raising events) we made this donation from funds. We also donated from funds to maintain our level of support for Christian Aid and Poppy Scotland. Further donations from funds were made to the charities we had committed to support this year. They were Glasgow SE Foodbank (East Renfrewshire Foodbank was supported via the March communion retiral offering prior to lockdown), Water Aid and Lodging House Mission. Finally we donated to Crossreach from funds to enhance the lower than normal calendar sales. Our Common Good Fund is linked with East Renfrewshire Good Causes to improve the distribution of financial assistance that is provided to individuals as distinct from other charities.

### PLANS FOR THE FUTURE

The Kirk Session of Netherlee and Stamperland (Church of Scotland) met for an Elders' Conference on 8 March 2020. Unfortunately the outbreak of a global coronavirus (Covid-19) pandemic meant we never had the opportunity to realise the ideas discussed at this conference. As we began to meet remotely during the year we started to think and plan for life after Covid-19.

### Vision and purpose

Whilst our new group and committee structure is slowly bedding in, albeit online; when we emerge on the other side of this pandemic we need to start worshiping as one congregation. Sharing our spaces and sitting in each other's seats in our two sanctuaries will cause more interactions enabling people to get to know each other better. Using both sanctuaries will show the "wider-world" that we are working in a new united way to serve the combined ministry of our larger united parish.

The pattern of worship shown in the table below will be discussed by the Kirk Session and <u>may be adopted for the church</u> <u>year 2021/22</u>

TIME PERIOD	WORSHIP SPACE				
September to Christ the King (usually end of November)	Netherlee				
Advent to the end of January	Stamperland				
Christmas services will be shared between both our	spaces				
Christmas Carols & Lessons service at Netherle	re e				
February to April Netherlee					
Easter will rotate annually between both our spaces					
Holy Week evening services (Mon to Thu) at Stamperland & Good Friday Choir service at Netherlee					
May to August	Stamperland				

### RISK MANAGEMENT

The Trustees have identified these principal risks facing the Church and is addressing them as per the points listed below:

#### 1) Impact of the global coronavirus (Covid-19) pandemic:

- a) Kirk Session concerned about the human impact through the loss of members, and members losing "church" habits.
  - i) Open for worship when the Scottish Government and National Church guidance permits, we have sufficient volunteers for the Duty Team rota, and we deem it safe and sensible to do so. These services to be streamed live whenever possible (from the Netherlee sanctuary).
  - ii) When "in person" worship is not allowed to make weekly recorded services available via our YouTube channel.
  - iii) Explore the possibility of live streaming and/or recording from the Stamperland sanctuary.
  - iv) Maintain contact with our members via the Newsletter (until Connections can resume) and "occasional gifts" like the house plants and Jelly Babies so they know they are in our thoughts.
- b) **Finance Committee** is concerned about the financial impact through reduced givings from members and the loss of rental from lessees. This will lead to a deficit for the financial year ending 31 December 2021.
  - i) Remind members the various ways they can continue their givings during these strange and difficult times.
  - ii) Encourage lessees to return as soon as permitted by offering reduced rental rates for a short period as their business will have been without income for some time. CASS has returned and declined the offer of reduced rental rates.

### 2) Difficulty in recruiting office bearers and others willing to give of their time and talents

- a) We need to find ways to make ourselves more visible, useful and understood within the community we care for, and with whom we share our space. If we do so then perhaps finding volunteers may become easier.
  - i) Allan Mathieson (Treasurer) unfortunately had to resign for health reasons at the end of 2020. As no volunteer stepped forward we were given permission by the Kirk Session to recruit someone to do the job on a paid basis.
  - ii) As we move forward perhaps a partial solution will be to more formally share the convener duties amongst the Elders in each group so that being a convener is not perceived as such an onerous commitment.

### 3) Working to minimise the loss of members during the integration and change that comes with union

- a) Regular conversations between the Elders, their Districts and the wider congregation.
- b) Supported by frequent multi-channels communication to minimise confusion about where and when worship is.
- c) Implement the proposed worship pattern and enjoy the benefits of worshipping as one congregation.

### FINANCIAL REVIEW

The financial results for the year were affected by the global coronavirus pandemic. However, we were in a fortunate position in that although some of our income sources fell, we also saw a fall in some of our expenditure. The General Fund budget for the year was a surplus of £12,089. We ended the year with a breakeven situation after reducing our transfer to the Fabric Reserve Fund for the year.

The income deficit for the year against budget was £56,104 with offerings from all sources in deficit by £23,710 and income from Use of Premises in deficit by £28,598 being the main contributors.

Expenditure was below budget by £37,303. The main savings came under Repairs and Maintenance (£21,762), Cleaning and Laundry (£7,582) and Heating and Lighting (£2,876). These savings were made due to our buildings being closed for much of the year. £8,244 was transferred this year from those funds that receive dividends and interest as our Ministries and Mission allocation is based on that income that does not appear in the General Fund but the individual Reserve Funds.

The value of our Reserve Funds decreased by £82,705 to £1,091,501 at the year end, this includes £450,000 from the value of the manse. The main expenditure from the Reserve Funds was borne by the Fabric Reserve Fund at £63,804, approximately £50,000 of this being spent on our Stamperland building for essential electrical repairs.

The Trustees acknowledge with gratitude the legacies totalling £10,467 received during 2020 from the estate of the late Mr Ron Dobson and the late Mrs Betty Gray.

### **INVESTMENT POLICY & PERFORMANCE**

The Investment Committee continues to monitor the investment performance of our investments, both with Hargreaves Lansdown and The Church of Scotland Investment Trust.

Investments held in the Church of Scotland Investors Trust are in their Growth, Income and Deposit Funds.

The investment policy of the Trustees is to ensure that the capital value of those funds not required for use in the short term is maintained, whilst those funds required in the short term are invested for income generation. The Church of Scotland Investors Trust does provide the level of portfolio management, supervision, and spread of risk the Trustees consider necessary to support the investment policy.

The criteria for the Hargreaves Lansdown investment is to increase the capital value of this fund, by at least inflation with a minimum of 3%, coupled with an annual dividend income in excess of bank deposit rates, circa 3%, whilst adopting a low risk approach. As a result of the global coronavirus pandemic and the economic uncertainty it has created, the market value of investments has fallen during the year.

As the cash balances/deposits stood at circa £271,000 at 31<sup>st</sup> December 2020, we have more than sufficient resources to meet the projected expenditure in the budget for the General Fund and it is not anticipated that we will be forced to sell any of our investments in a depressed market.

### RESERVES POLICY

It is the Trustees' policy to hold reserves of at least 12 months expenditure in the unrestricted funds. Reserves at the year-end held in unrestricted free funds were £579,518 which is higher than our target range. Given the financial uncertainty arising from the current pandemic, the Trustees consider that the level of reserves is a positive factor and provides additional financial support into the future.

The balance on the unrestricted designated funds amounts to £465,758. The Trustees consider this balance is appropriate.

The Church also holds £46,225 of restricted funds at the end of the year, which has been provided for the purposes specified in Note 15.

### STRUCTURE GOVERNANCE & MANAGEMENT

### **Governing Document**

Netherlee and Stamperland (Church of Scotland) is a registered charity (SC015303) and is administered in accordance with the terms of the Unitary Deed of Constitution.

# STATEMENT OF TRUSTEES RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The charity Trustees are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity Trustees to prepare financial statements for each year, which show a true and fair view of the state of affairs of the charity and of the incoming resources, and application of resources of the charity for that period.

In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the method and principles in the applicable Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practise have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### **Independent Examiner's Report to the Trustees of Netherlee and Stamperland (Church of Scotland)**

I report on the accounts of the charity for the year ended 31 December 2020, which are set out on pages 10-22.

### Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity Trustees consider that the audit requirements of Regulation 10(1) (a) to (c) of the Accounts Regulations do not apply. It is my responsibility to examine the accounts as required under Section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

### Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the Accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### **Independent examiner's statement**

In the course of my examination, no matter has come to my attention:-

- 1. which gives me reasonable cause to believe that in any material respect, the requirements:
  - To keep accounting records in accordance with Section 44(1) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
  - To prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met, or
- 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

# Netherlee and Stamperland (Church of Scotland) Year ended 31 December 2020

### **Accounting Policies**

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

### **Basis of preparation**

The accounts have been prepared under the historical cost convention, modified to reflect the inclusion of investments and the manse at market value, and in accordance with applicable accounting standards, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Charity meets the definition of a public benefit entity under FRS 102.

Consequent on the Union of Netherlee and Stamperland Parish Churches on 1 January 2020, this report and financial statements present:

- (a) the results of the combining congregations for the whole of 2020.
- (b) the aggregated results for the two congregations for 2019 after the restatement of the accounts for Stamperland Parish Church for 2019, which were originally prepared on the receipts and payments basis.

### **Fund accounting**

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. The designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

### **Income recognition**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally on notification of interest paid or payable by the bank. Dividends on investments are recognised once the dividend has been declared and notification has been received of the dividend due.

On receipt, donated professional services and donated facilities are recognised as income on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

In accordance with the Charities SORP (FRS102) the general volunteer time of congregation members is not recognised.

### Netherlee and Stamperland (Church of Scotland) Year ended 31 December 2020

### **Expenditure recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

### **Fixed Assets**

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church and halls, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

The manse which is vested in local trustees is included at market value as estimated by the trustees.

All other tangible fixed assets costing in excess of £2,500 having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised. Buildings are not depreciated on the grounds of immateriality. The properties are maintained to a high standard and their estimated residual values are not materially different from their carrying values. It is the policy of the trustees to carry out an impairment review of all properties on an annual basis. Other fixed assets are depreciated on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives as follows:

Fixtures, fittings and office equipment

5 Years

### **Investments**

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

### **Taxation**

Netherlee and Stamperland (Church of Scotland) is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

### 14 Volunteers

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.
